SONG OF OWN COMPOSITION SUNG BY MRS. MECK AT TEA

"It's Goodbye to the Hun." Title to Poem Composed by Chattanooga Woman.

The following words were written and set to original music by Mrs. John Lamar Meek, of this city. The song was sung by Mrs. Meek at the Patriotic tea given Thursday afternoon at the beautiful home of Mr. and Mrs. P. A. Brawner. In fact the song was written for the occasion. It was received with enthusiasm by the large crowd present.

"It's Goodbye to the Hun" You may talk about beginners. We don't understand the term. For our soldier boys are winners.

And they've got the fighting germ. No matter what their station. Or how soon they get the chance, They're a credit to the nation, And they'll get the Hun in France.

CHORUS:
Oh, its good-bye to the Hun
For we've got him on the run.
Since our gallant boys have gone into the fray.
Watch their step, step, step! And their pep, pep, pep! Hurrah! They'll win, they'll win for the U. S. A.

Swift they answered to the calling, Sons of blue and sons of gray.
Now for you and me they're falling In that brave land far away.
And when the war is ended, May all nations then be blended In the freedom they have won.

959 CLASS A-1 MEN STILL AVAILABLE FOR SERVICE

Even Deferred Class Men Cannot Volunteer Now—Preparing for August Calls.

Recent orders from the Council of National Defense at Nashville forbid any further enlistment of registrants of either first or deferred classes in the navy or marines. The object of this prohibition, as explained in the telegram, is to guarantee having enough registrants in the local boards to fill the August calls.

This taken in conjunction with the fact that the Nashville council has just asked the local boards for the number of their men still remaining in class 1.

Famous in a Day for Her Beautiful Complexion, Oatmeal Combination Does It

A Free Prescription Does Its Work Overnight. You Can Prepare it at Your Home.

New York: It is my own discovery and it takes just one night to get such marvelous results, says Mae Edna Wilder, when her friends ask her about her wonderful complexion and the improved appearance of her hands and arms. You can do the same thing if you follow my advice she says: I feel it my duty to tell every girl and woman what this wonderful prescription did for me. Just think of it. All this change in a single night. I never tire of telling others just what brought about such remarkable results.

Here is the identical prescription that removed every defect from my face, neck, hands and arms. Until you try it you can form no idea of the marvelous change it makes in just one application. The prescription, which you can prepare at your own home, is as follows: Go to any grocery and get ten cents worth of ordinary oatmeal, and from any drug store a bottle of derwillo. Prepare the oatmeal as directed in every package of derwillo and apply night and morning. The first application will astonish you. It makes the skin appear transparent, smooth and vel-

vety. I especially recommend it for freckles, tan, sun spots, coarse pores, rough skin, ruddiness, wrinkles, and, in fact, every blemish the face, hands and arms are heirs to. If your neck or chest is discolored from exposure, apply this combination there and the objectionable defect will disappear as if by magic. It is absolutely harmless and will not produce or stimulate a growth of hair. No matter how rough and unsightly the hands and arms, or what abuses they have had through hard work and exposure to sun and wind, this oatmeal-derwillo combination will work a wonderful transformation in 12 hours at the most. Thousands who have used it have had the same results I have had.

Note: To get the best effect be sure to follow the complete directions contained in every package of derwillo. You have to get derwillo and oatmeal. You need nothing else and it is so inexpensive that any girl or woman can afford it. The manufacturers and druggists guarantee that there will be a noticeable improvement after the first application. They will refund the money. It is sold in this city under a money refund guarantee by all department stores and druggists, including the Live and Let Live, Morrisons' and R. J. Miller stores. (Adv.)
